Welcome	The meeting was opened by Mike Lennard welcoming everyone. He gave a resume of proactive things he had been doing during the year trying to link the Salisbury LETS with other towns in the GB and also his role in Wiltshire Council as a voluntary, Digital Champion Co-ordinator which gives us a further line of prominence.	
Treasurer's Report;	Marlene Corbey gave the Treasurer's report and said we have a balance of £415. Thanks were recorded to Diana Lack for auditing the annual accounts.	
Membership;	Marlene Corbey gave the membership report and said we currently have 55 members. We were reminded that we can earn 10 ebbles for each new member we introduce.	
Elections	Janna McIntyre was proposed, seconded and elected to our Committee; all current Committee Members were re-elected.	
Member Accounts;	The committee had agreed that members who have left and return with a deficit will have their debt reinstated and have to work to clear this debt; their accounts will be made so they can only earn ebbles until the debt is paid. Also, a limit of 100 ebbles is the new limit for deficit.	
Events;	Helen Crome as our events coordinator along with Peter Parkman gave a report on what we are working on to get members involved in more social events and trading meetings. A list has been put out for members to suggest what they would like us to arrange or what they may like to arrange. Chilmark wants us at their Horticultural Show in August; Mike is the Horticultural Society Chairman and cannot man the gazebo, so we need volunteers to be there in his place.	See list below
Guest Speaker	Jane Pelly had suffered a fall and could not attend to speak and Robina Hattersley gave a most interesting and absorbing talk on the life of her grandfather Bishop Wordsworth and the history	

	behind the Bishop Wordsworth school, which he set up whilst the Bishop of Salisbury. There is also a family link to the poet William Wordsworth	
Miscellaneous	Mike Lennard is having to down-size and the gazebo, currently stored at his home, needs a new storage place if any one can help, please let us know.	Members
